About YD Yeah Sport

Dongguan YD yeah Sport Co. Ltd. is a professional manufacturer specializing in all kinds of surfing paddles, kayak paddles, canoe paddles, rowing pair oars, dragon boat paddles, etc. Our factory is located in Dongguan City, Guangdong, China, only an hour's drive from Hong Kong.

Our paddles are made of carbon fiber, fiberglass, plastic, or mixed materials in great variety meeting the requirements of different customers. Our Products are exported to America, Brazil, Australia, France, Germany, etc.

Our Founder is a first-class R&D specialist with more than 10 years of professional experience in design, technique and production. With independent R&D ability and hi-tech skills, only in a week can we make mold by any template or illustration and work out the sample. We boast well-equipped production lines as well as a sophisticated innovation team working on the improvement of quality. We aim at producing products with high quality and low cost based on the concept "customer first, quality first". We have won the customers' trust and support by high quality, well-deserved credit and thoughtful after-sale service.

Why still hesitate? There must be one model that fits you. If there's none, we can also customize one for you. We also have customized solutions to meet your needs. We warmly welcome you to YD Yeah Sport!
